

PRIMAL INSTINCT

DENTAL BONES

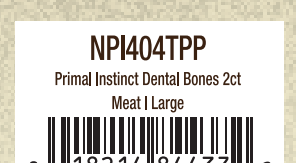

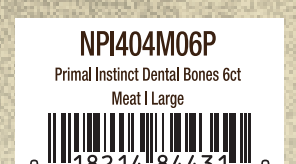

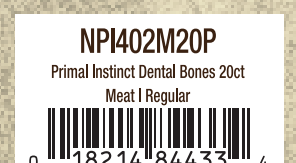

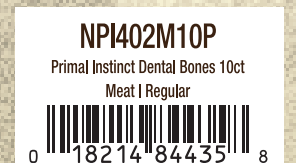

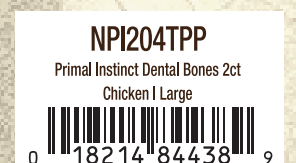

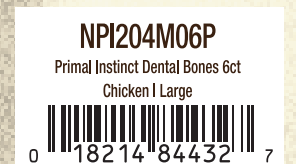

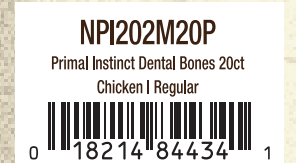

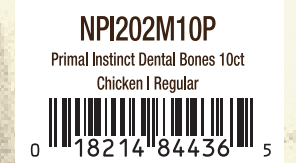

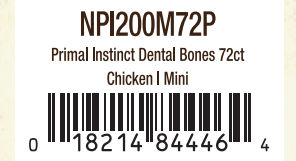

100% GRAIN-FREE DENTAL BONES

Our all-natural, highly digestible dental bones are made to satisfy your dog's primal instinct to chew.

Each wholesome chew treat also has exactly what dogs instinctively crave—**real chicken** or **real meat**. Purposefully crafted to engage your dog's natural chewing action to help **clean teeth** and **freshen breath**, these grain-free dental bones speak to the ancestral nature of your best friend.

The taste your dog will go **wild** for.
